This vacancy is to be filled up by a civilian officer as per recent G.O. of 50:50 of Gazetted and Non-Gazetted.

3) It has already been decided that the request of Sri B. Raghavendra for appointment as Asst. Secy in the vacancy now existing cannot be complied with on the ground that this vacancy has to be filled by appointing a civilian officer as Asst. 4) In this connection it is submitted that this is an instance of direct representation to the Minister and also this is against the instructions issued in C.M.O. No. 1760-1769/C.B. 63-49-1 dated 2.9.1949

1. By promoting two far junior Superintendents in the Secretariat to the Gazetted cadre as Assistant Secretaries in 1948, the promotions of far senior Superintendents who had legitimate claims for them were retarded to a very great extent.

2. By promoting two Steno-grapher Superintendents whose-want-of-qualifications were deemed as high special qualifications for such promotion to the Gazetted cadre as Assistant Secretaries early in 1949, it further retarded the legitimate promotions of Superintendents who were their seniors in office.

3. At the time of promoting Sri S.G.Narasimhayya as Assistant Secretary of Labour Branch in the Secretariat, with reference to my contention that such a promotion would seriously jeopardise my promotion as I was the senior.most Superintendent, I was definitely assured that next vacancy in the Gazetted cadre of Assistant Secretary would be assigned to me so that there may be no further room for my disappointment.

4. When the vacancy of the Assistant Secretary for Special Revenue Branch occurred in October 1949 instead of assigning it to the Secretariat Superintendent it was assigned to a Civilian and this step further retarded my legitimate promotion to the Gazetted cadre.

5. By the grant of extensions in service to the two Assistant Secretaries, Sri M.Rama Rao and S.Krishna Murty by one year, my legitimate claims as the senior-most Superintendent for promotion have been of no avail and my promotion was further retarded and postponed adinfenitim.

6. By the retirement of Sri M.Rama Rao, Assistant Secretary, Medical Branch from the 15th June 1950, a

a vacancy occurred and this had to be given to me as the senior most Superintendent in the Secretariat, and till the 22nd August 1950 I was under a happy impression that I would really be promoted as Assistant Secretary, Medical Branch on legitimate grounds of seniority and merit; but to my utter dismay I find an Assistant Commissioner has been posted as Assistant Secretary to fill up the said vacancy.

7. On an enquiry I am told that a Government Order No.7242-7251/GB.170-50-1 dated 1st August 1950 has been issued recently to the effect that the posts of Assistant Secretaries in the Secretariat should be assigned on the basis of 50 : 50 between the Secretariat Superintendents (non-civilians) and Civilians from outside, that out of 16 Assistant Secretaries as per the latest classification in the Secretariat, there are at present 6 Civilians and to make up the number, two more posts of Assistant Secretaries should be assigned to the Civilians. Accordingly the present vacancy of the Assistant Secretary, Medical Branch has been assigned to a Civilian and the total number of Civilian Assistant Secretaries comes to 7 at present.

8. In addition to the series of hardships which I have undergone in the way of me securing my legitimate promotion as an Assistant Secretary, the latest Government Order, referred to above, causes the greatest hardship to me and unnecessarily postpones my promotion to another year in case the next vacancy which occurs in the middle of October 1950 is not given to me. I have hardly 3 years' of service.

9. When a Government Order is passed, it cannot have retrospective effect so as to deprive an official of his legitimate claims for promotion to the Gazetted Cadre and the Government Order of August 1950, referred to above, ought not be applied to the case of filling up the vacancy

vacancy of the Assistant Secretary, Medical Branch, which occurred from the 15th June 1950, i.e., nearly two months prior to the actual coming into existance of the said Government Order. Even according to this Government Order, a fair interpretation of the same would seem to indicate that as the present vacancy of the Medical Branch has been given to a Civilian, the next vacancy of October 1950 may atleast be given to a Secretariat Superintendent and not necessarily to a Civilian.

I fully believe that Government intend doing bare naked justice with equity and fairplay in regard to me who have got every legitimate claim both on grounds of seniority and merit for promotion as Assistant Secretary and I may humbly request that they may be graciously pleased to promote me to the Gazetted cadre atleast now by giving me the vacancy which occurs from October 16, 1950.

24th August 1950.
